Our Story

A History and Passion for
winemaking led us here

I would like to take this opportunity to present ybrandd to you. ybrandd is a trade only supplier of wine & beer accessories, glassware, and packaging within the UK.

Originally from Toulon in the south of France by the Mediterranean, where wine merge to the perfection with our petanque games and grillades during long outdoor evenings, swirling and tasting was a great part of our heritage. My mother was born in a little village called Beauvoisin near La Pont du Gard surrounded by vineyards, so winery, tan grape pickers from Spain, grapes and winepresses have always been the stories of her joyful upbringing.

As for myself, I move to Oxfordshire nine years ago where I live with my English husband. During this time, I have visited some excellent wineries in the UK, with unbelievable sparkling white produced and I wanted to be part of it, so from my previous experience and knowledge I started ybrandd...

Drink Smart | Stamp Your Brand.

It is a delightful journey I am pleased to say, and I would appreciate if you would look through the catalogue or visit the website www.ybrandd.com and should you require any further information I would be very happy to help.

Warmest thanks,

Martine Gulley
